

# GOLF DAY | 2021

**EPC-UK is delighted to announce that its Charity Golf Day will take place at Macdonald Portal Golf and Spa Hotel on Thursday 9th September 2021. All levels of players are welcome!**

This is a day to have a fun, challenging round of golf followed by a networking dinner and prize-giving. The day is very much an occasion to enjoy good company and to raise as much money as possible for charity.

### **Defibrillator access saves lives**

EPC-UK has a long-standing commitment to helping schools and local communities access life-saving defibrillator equipment.

Our charitable efforts have the simple goal to prevent the deaths of people of all ages, who die suddenly from cardiac arrest across the UK each week. Using a defibrillator before an ambulance's arrival can significantly increase the chances of a person's survival, so we'd like to see the number of easily accessible defibrillators located across the country continue to grow.

### **The Golf Day includes:**

- 18 holes of Championship Golf
- Bacon rolls and coffee
- 3 course evening meal
- Trophies, prizes and a raffle

**Accommodation:** If you are planning to stay over after the evening meal and would like a room booking at the hotel, please let us know and we will get a room booked for you, however you will be expected to take care of your own bill at the end of the stay. Prices for the room are: £96 for a single room and £105 for a twin room.

The tournament will be played with teams of four. You can also choose to enter smaller numbers to make up a team with other participants.

The day will commence with coffee and sumptuous bacon rolls, followed by an 18 hole Texas Scramble competition, with both team and individual prizes. There will be a "nearest-the-pin" and a "longest drive" competition, rounded off with a chance to relax over a three-course dinner and presentation evening.

Don't miss this excellent opportunity to enjoy 18 holes of golf on one of the finest courses in the North West of England. Join us to network and at the same time help raise money for charity.
